Your Support for the first Open World Amateur Championship!

Dear competitors, adjudicators and organisers,

With the date of the first truly Open World Amateur World Championship drawing nearer, we would ask you **for your support** of this truly ground-breaking event.

Having already had a great response from competitors, and after having being able to secure the most high profile panel of Professional Adjudicators ever to adjudicate a World Amateur Championship, we are now asking you to lend your support and come and either compete or attend what promises to be a truly outstanding event.

In the spirit of the WDC's Open market policy and to create events for competitors without politics, and for the benefit of all Amateur Dancers, we would ask you to be part of this event.

You can find all information, how to enter and how to book your accommodation on our new website: www.wdcamateurleague.com.

We are there to help, so contact us with any queries you might have.

We look forward to hearing from you.
